The screenshot shows a web browser window with the URL 'canva.com' in the address bar. The main header features the logo 'MAGIC CELL' with the tagline 'SOLVING PROBLEMS'. Below the header is a navigation menu with links: HOME, WHO ARE WE, OUR WORKS, EXPLORE PROBLEMS, and PROCESS. The 'WHO ARE WE' link is highlighted with a blue underline. On the left side of the page, there is a purple button labeled 'ABOUT US'. The central content area has a heading 'WHO ARE WE?' with a subtext: 'We are a small team pushing the boundaries of what's possible so that you do not have to worry about anything.' To the right of the text, there is a graphic illustration featuring a globe, a hand reaching out, a yellow plant in a vase, and a small figure. At the bottom right, there is a section titled 'MEET THE TEAM' with a similar subtext.

ABOUT US

WHO ARE WE?

We are a small team pushing the boundaries of what's possible so that you do not have to worry about anything.

MEET THE TEAM

We are a small team pushing the boundaries of what's possible so that you do not have to worry about anything.

MAGIC is a place where a group of people who are passionate about solving problems cater to the issues of students of any school. MAGIC makes sure then every student must feel a sense of relief that their problems matter and that someone is out there working for them.

PURPOSE OF MAGIC

The purpose of the initiative is to make students feel that their issues matter to us and we will do our best to solve them. We want to groom students in such a way so that they can overcome hurdles easily.

M**MOTIVATE**

We motivate students to overcome hurdles and achieve their goals.

A**ASSURE**

Assuring students that their issues matter to us and we will do our best to solve them.

G**GUIDE**

We are there for students who need help and guide them in solving their issues

I**INSPIRE**

We inspire students to take initiatives and bring a change in the university.

C**COUNSEL**

We counsel students who are failing to do good in studies and help them to improve.

Why "MAGIC" Cell?

MAGIC CELL works in a way which includes dividing problem into stages and working on each stage individually. The steps include:

The screenshot shows the homepage of the **CELL PROBLEMS** website. At the top, there's a navigation bar with links for **HOME**, **WHO ARE WE**, **OUR WORKS**, **EXPLORE PROBLEMS**, **PROCESS**, and a **SUBMIT ISSUE** button. Below the navigation, there are four main service categories represented by icons and descriptions:

- COUNTS**: Provides assistance in accounts related issues such as Library fees, Tuition Fees etc.
- ADMISSIONS AND ACADEMIC ADVICE**: Issues related to new admissions and problems in coping up with studies for newly admitted students.
- HEALTH AND WELLNESS**: Issues regarding personal health, leaves due to illness and support from university during tough times.
- HOSTEL/RESIDENCE**: Students facing hostel problems can communicate to the concerned authority via us.

Below these, there are two more sections:

- INTERNATIONAL STUDENT SUPPORT**: Helps exchange students as well as students who want to pursue a career abroad can benefit from our facilities.
- EXAM AFFAIRS**: Issues related to room assignments, examination resources, etc.

On the right side, there are five detailed service sections with icons and descriptions:

- Library**: We have solved plenty of library issues including books not available, unnecessary fee charges for unreturned books during covid times.
- Academic Support**: We have contributed towards helping students who face problems in studies and have mentored them.
- Examination**: We have solved plenty of examination issues including the issue of students not being able to write their exams due to covid-19.
- Accounts**: Fees and scholarship related problems which involve endless rounds to accounts office have been solved without students visiting the office.
- Career**: Students have been helped in getting internships and jobs through our network of alumni and industry professionals.
